

Since 1975

NETTUNO L

Cod. NS 01

Rigid PVC spiral

PVC-P hose

Color: transparent with red spiral

Features:

PVC-P hose, reinforced with anti-shock rigid PVC spiral. Smooth inside, light and very flexible. Resistant to loads, weathering and to a wide range of chemicals. Completely free of phthalates, to eliminate leaching risk of those components into the delivered substances.

Applications: ideal solution for suction and delivery of liquids.
